Christian Y. Leinbach, Commission and Chair
Berks County Board of Commissioners
Services Center, 1st Floor
633 Court Street
Reading, PA 19601

Dear Commissioner Leinbach:

I am currently and have been for about five years a judge of elections. The purpose of this letter is to thank the Board for hiring Anne Norton as Director of the Board of Elections and to let you know that she is doing a remarkably good job supporting us.

I practiced law for over 40 years and interacted with local officials throughout the United States in connection with large and often controversial energy projects. This experience taught me what good governance and leadership is and by every measure Ann is a living example of it.

Here are some specifics: (1) Ann routinely attends election worker training sessions, listens and often writes down the questions that are asked. I think that she views the questions as an indicator of where improvements are needed and follows-up. (2) Ann either herself or through her staff promptly responds to questions and requests. (3) When Ann is asked if a process can be changed, she explains directly and clearly if there is a legal, financial or other constraint precluding its adoption. When it is possible to make the change, she does so promptly, often giving credit to election workers for its suggestion. (4) Perhaps most importantly her leadership demonstrates dedicated public service with integrity, virtue and excellence. Through her actions she sets the standard to which each poll worker understands they are expected to adhere.

I told Ann that I was sending you this letter because I did not want to inadvertently do anything to complicate her already busy life. She smiled, thanked me and told me that it was up to me to decide what to do. That's Ann.

Sincerely

[REDACTED]

/s/ Sanford L. Hartman
